

ACOUSTIC GUITAR INTONATION GUIDE

Nov 24, 2020

[Acoustic Guitar Intonation Guide](#)

Typically, proper acoustic guitar intonation begins with a full setup, along with a fresh set of strings. With Taylor guitars, provided there is no fret wear, the setup often solves serious acoustic guitar intonation problems. However, many high-level players still appreciate a luthier's specific attention to intonation, because it will address each player's style and technique on that particular instrument. The technician will check the guitar's action (the distance between the ...
