If you can't track down – or afford – a signature model, let Haynes Guitar Manual author Paul Balmer show you how you can turn any old red Squier Strat into an affordable 'Hankenstein' of your very own... In 1959 Cliff Richard bought Hank Marvin a Fender Stratocaster with gold-plated hardware – some say the first to reach UK shores.

Sound is the most important consideration for Furch guitars. Making good-sounding instruments has been our main objective since 1981. The excellent acoustic qualities of Furch guitars are the result of state-of-the art technologies and proprietary production processes combined with the use of the best available tonewoods, harvested in strict observance of responsible environmental practices.
