I highly recommend doing at least one practice test from each category, then google all the quizlets you can find. There are many more than this one. Each one of the systems you can google and they'll come up with more questions, ie) ATI mental health quizlet. I would also suggest reading the rationales of the wrong answers because they are actually they answers to other questions! GOOD LUCK ...

[Ati Nutrition Exam B](#)

I would avoid using material that was taught to you in class, and focus solely what came out of ATI's book. The answers they are looking for comes out of their book, and often, it contradicts what your professors taught you. True, the questions in the book may not be similar to the ones on the practice test, but most of the time (not always), the information you need is supplied in the book ...
