[Travelling To Infinity My Life With Stephen](#)

Jane calls her book, 'Travelling to Infinity: My Life with Stephen Hawking'. However, as I finished reading, I felt that I had travelled to infinity with her, to a place in the human heart where we are often afraid to go because we risk losing something of ourselves because of the pain we have to endure, but a place where we discover both God and what it is to be fully human when we choose to walk the path we have not chosen for ourselves. Thank you Jane.

This is the story of the early life and first marriage of the multiple award winning physicist and cosmologist Stephen Hawking told by his first wife, Jane. Most of the world is aware that Hawking is a victim of Lou Gehrig's Disease, but few (fortunately) understand what that struggle entails for the victim and his loved ones. Jane Hawking does us an enormous service by describing how she, Stephen, their three children, their extended family and friends, and the larger world coped ...

This is a book about Stephen Hawking's courtship and marriage to Jane Hawking, and their family life. Jane married Stephen when he was newly diagnosed with motor neuron disease and given about two years to live. That was over 40 years ago and he's still alive. She was terribly burdened with his care, on top of taking care of three children, without much money. She has genuine, legitimate complaints about his treating her like a slave? So why is she so irritating? I think it's because she has so

[Travelling to Infinity: My Life with Stephen eBook ...](#)

It's a very frank and emotionally honest account of Jane Hawking's 25-year marriage to Stephen Hawking and it goes behind the scenes of what it was like living with a world-famous scientist with a degenerative disease, while trying to maintain some kind of 'normal' family life for three children, as well as maintaining a personal sense of identity and without becoming totally subsumed into Stephen's world. It highlights the relative lack of money that the family had before Stephen ...
